

A moment of stillness to calm  
A racing mind that rehashes  
Words mistook

A heaviness draws down to  
The depths where roots have  
Been buried, lifeless for far  
Too long. Foolish soul to hide  
What haunts where it can  
Easily be found

Was it wrong to unearth secrets  
Is it fate to be stung by  
The same hand dealt  
To a dead love

Soft blue eyes left  
After only looking austerely  
At a lost piece that only wanted  
The calm stillness of the moment
